Dutch Treat and Wedding Cake

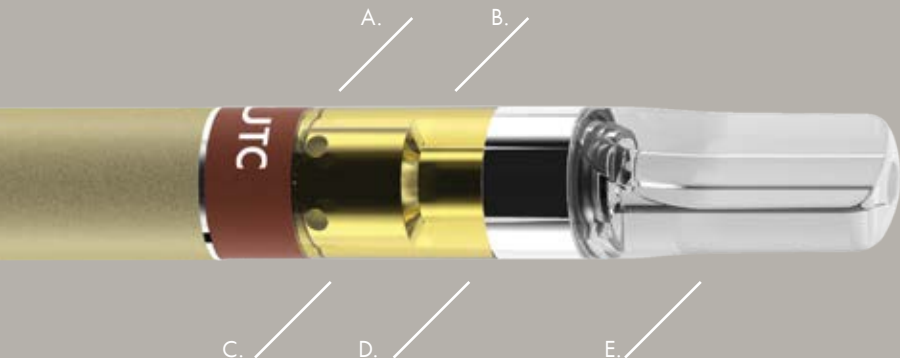

Featuring our next
generation hardware

kurvana®

NEW

Our next generation hardware is here

Precise Oil Flow

- A. Precise pore sizes for optimal oil flow and dose control

Longer Lasting Oil

- D. Our housing tank reduces natural oil oxidation that keeps it fresher longer

CTEC 2.0

- B. Premium ceramic heating element composition and material refinement

Ergonomic Mouthpiece

- E. Custom crystal clear mouthpiece designed for extreme comfort

Food Grade Materials

From high quality stainless steel to our BPA-free tank, we kept safety in mind
