- ✓ Full-spectrum extract
- ✓ Cannabis-derived terpenes
- ✓ Up-to 85% cannabinoids
- ✓ 10 strain-specific options

Originals | Collection

Blackberry Kush

Indica / Berry | Sweet | Earthy

The taste of rich, dark berries balanced by the heavier earthy undertones that provide an uplifted experience.

True OG

Indica / Citrus | Pungent | Pine

Pungent pine notes meet a crisp citrus exhale, delivering a unique experience that prompts a mellow long-lasting sedative effect.

Grapefruit Kush

Hybrid / Citrus | Fruity | Tart

This creative kush offers the distinct aroma of sweet citrus with an underlying tart aftertaste prompting complete relaxation.

Blue Dream

Sativa / Berry | Sweet | Musky

With boasts of sweet berry aroma, this classic strain produces uplifting effects for all occasions.

Pineapple Express

Sativa / Earthy | Herbal | Spicy

A combination of tropical fruits with subtle earthy pine undertones results in a sativa that is perfect for productive and creative spaces.

Plus:

Master OG (I) | Original Blueberry (I)

G.S. Cookies (H) | Jack Herer (S)

Sour Diesel (S)
