Cannabis-Infused Tinctures

The new tincture standard

Introducing Kurvana's Botanical Tinctures, our collection of all-natural, cannabis-infused liposomals. Comprised of key bioactive plant ingredients known to synergistically promote and enhance everyday wellness with **NO** artificial flavoring, coloring, alcohol, or fillers. Each tincture promotes specific therapeutic benefits using only the finest natural and organic ingredients, including full-spectrum cannabis oil.

100% Full-Spectrum Cannabis Oil

- Full-spectrum extraction naturally preserves the raw plant's phytochemicals.
- Includes: CBD, CBG, THC, terpenes, flavonoids, and other essential oils.
- Full-spectrum of botanical compounds work synergistically for a unique entourage effect.

Bioactivity

- Bioactive ingredients help maintain homeostasis and well-being
- Adaptogens help build and strengthen the body's natural defenses.
- Combined adaptogens and cannabinoids work therapeutically in tandem.

Advanced Liposomal and Nano-Technology Delivery

- Increased bioavailability and rapid absorption.
- Stable and predictable experience with every use.
- Precise and consistent dosing.

BALANCE 1:1:1

Suited for everyday use. This wellness tincture provides daily balance to the mind and body by combining key cannabinoids with organic ingredients.

CBD (Cannabidiol)

Commonly used to address anxiety, insomnia, and many chronic pains.

CBG (Cannabigerol)

Known to improve mood, reduce inflammation, and be anti-microbial.

C8 + C10 (Pure Organic MCT Oil)

Provides high absorption properties and enhances bioavailability.
