Introducing Our New Rechargeable All-In-One

Upgraded where it
counts, unchanged
where you love it.

Meet the next evolution of our All-In-One device, crafted to elevate your experience without compromising what you already love. With iconic design at its core, this new model blends sleek sophistication with cutting-edge functionality. Rechargeable, refined, and engineered to deliver optimal performance, this is the device you've been waiting for. Get ready to unlock every last drop, every time.

Increased Capacity

Now prefilled with 1 mL of premium oil for 50% more enjoyment.

Larger Oil Windows

Monitor your levels with ease, thanks to a clearer, expanded view.

Ergonomic Redesign

Taller, wider, and optimized for the perfect grip, with sleek portability.

Consistent Precision

Smooth draws, optimal airflow, and the performance you trust in every hit.

USB-C Charging

Power up and go, ensuring you get 100% of your oil.

Compact, Portable Power

Smaller battery size, but recharged for ultimate convenience.
